Dear American Legion,

Post 1207 is undertaking a project called PILLOW CASE PROJECT.

Our committee takes pictures of troops that are deploying out. We then transfer this picture to pillow cases. Each family member in the photo gets a pillow case as well as the soldier. The committee members tell of their experience with the 333<sup>rd</sup> from Freeport, Il. The families as well as the unmarried soldiers feel this is a very worthwhile project. We have all the volunteers we need for now but for future undertakings of this project, we would like to call upon you for a volunteer or two. In the mean time, a donation to help cover costs would be greatly appreciated.

Sincerely,

Gene Schaefer  
Commander  
Lt. Robert C. A. Carlson Post 1207
